What Parents are Saying

About: Sinder G.

[Sinder] has taught us so many things and has truly helped us become better parents. She is wise, loving and thoughtful—we would have been lost without her by our side these last 4 years. She has worked hard with M and all the children to ensure they are hitting the milestones including emotional intelligence, that they are ready for school and to be sociable and kind with all people.

What Parents are Saying

About: Razia S.

Razia has been truly wonderful to deal with and has shown great patience with our son. All of the kids there seem so happy and were great with D....D enjoys his time with Razia and the other children.

What Parents are Saying

About: Iman C.

We have been overwhelmingly happy with the service of care that Iman has given V. We would recommend her in a heartbeat to other parents.

“When you: Cut it for me, Write it for me, Open it for me, Set it up for me,
Draw it for me or Find it for me, All I learn is: that you do it better than me.”

From the desk of ...

Susan ~ Director

As we welcome the New Year we look forward to many new experiences and memories to be made.

I am working to compile a report of some of the highlights and happenings of 2019 - look for that to be sent out in the coming weeks.

There were a couple recently announced changes from Alberta Children's Services. You can find a link to the article on our Facebook page or contact me for full details. The changes are: 1) The Staff Attraction Grant will no longer be continuing. Anyone looking to apply for the Staff Attraction must have their application in by March 30. 2) Agencies and Center Owners will no longer be getting additional funding to help them with the extra costs that result from the Wage Top Up. 3) Home Visitor and Provider Support Funding WILL continue at this time.

Louise ~ Parent Accounts

I hope everyone had a wonderful & relaxing holiday break.

Providers: please let me know if a child is absent for 3 or more days. This gives me a heads up & also may affect your invoice.

Tax season is around the corner so make sure you have copies of ALL your invoices!

If parents ask, parent tax letters will be emailed no later than Feb. 28th, 2020. Our goal is by January 31st, 2020.

The office needs letters of paid closure days for 2020. These are individual letters for each parent file.

Laura ~ Invoicing

Happy New Year Everyone and Welcome to 2020!

I hope you all enjoyed the holidays and time with friends and family.

The 2020 Invoice Due Dates are set as well as our next paperwork in-services, please note these important dates on your calendars. All new providers should plan to attend the **March 16th** in-service as well as those of you who have not yet made it out, Louise and I look forward to seeing you all!
