### What Parents are Saying

**About: Bernadine R.**

She truly loves being with kids in general and that she loves our kids specifically. She misses them when they are gone and cares about their development and their experiences. She is respectful of them as people with their own minds and ideas and is always supportive of them! These things are all really hard to find and priceless in a provider. We are very lucky to have her and her family too!

### What Parents are Saying

**About: Sheeba F**

I would recommend this day-home to anyone looking for a great [dayhome] she is amazing with kids. She does a lot of arts and craft they get great meals.

### What Parents are Saying

**About: Sheeba F**

We love it at Sheeba's and have had no concerns - very glad we found her!

“We worry about what a child will become tomorrow, yet we forget that he is someone today.” - Stacia Tauscher

## From the desk of ...

### Susan ~ Director

Welcome back to another school year and the start of Fall routines. If you have a child that has gone to school this September please make sure that you have updated information, including fees for them.

We are excited to welcome two new Consultants to our Team this month. Courtney will be joining us Full Time and has already been working part time for the past year helping our new dayhomes get set up and started. Nicole will be Full time as well. Many of you will get to meet them as they visit your homes this month.

We are also very excited to celebrate our 35<sup>th</sup> anniversary Provider Appreciation this month. You should have received an invitation so please ask your Consultant if you need more details. I hope to see you all September 30<sup>th</sup>!

### Louise ~ Parent Accounts

Summer has flown by!! School starting and fall around the corner!

We should have received all change of fees for any child going into Grade One in September.

Providers: if a child is absent for 3 days or more please contact the office. This may affect your invoice!

### Laura ~ Invoicing

September is here and with it the last few weeks of summer, I hope everyone enjoyed the sunny weather!

It has been a full year since the Provider Invoice got an update, please make sure you are using the excel template to complete your invoice on the computer each month. Mac users need to use a slightly different version and follow different saving instructions. If you are unsure of how to use the form please make sure to call in before the due date and we can troubleshoot over the phone.

I look forward to seeing you at our upcoming Provider Appreciation!
